# COMMUNITY NEWSLETTER

**Mr Lloyd**

Headteacher

Dear Parents/Carers,

I can hardly believe we have reached half-term already! What a fantastic first half-term it has been, and what a lot we have to celebrate!

We have been delighted to welcome new members of staff to St Mewan, who have already made such a wonderful contribution to our school. Our new Reception children have settled beautifully, growing in confidence and becoming part of our school family. We have also had the pleasure of catching up with some of last year's Year 6 pupils to hear how they are getting on at secondary school. It is always lovely to see them thriving as they take their next steps!

Another real highlight has been seeing how enthusiastically our children in Years 3–6 have embraced our new Key Stage 2 reading curriculum. They have absolutely loved exploring the fantastic new books we've purchased, and it has been wonderful to see their excitement about reading. Please do ask your children about the books they are enjoying and share in their enthusiasm!

I am incredibly proud of the children, our staff team and everything we have achieved together this half-term. Thank you, as always, for your continued support and for playing such an important part in our school community.

From all of us at St Mewan, we hope you have a wonderful, happy and restful half-term break. We look forward to welcoming everyone back on Monday 2nd November, ready for another half-term filled with learning, laughter and friendship!

Warmest wishes,

Mark Lloyd

# SEND UPDATE

**Mrs Dimmock**

## **Inclusion Update – Working Together to Support Every Child**

We want every child in our school to feel happy, included and understood, and to know that they can be themselves. Over the year, we hope that by working closely with families and other professionals, we can continue to develop the support we offer, celebrate each child's individual strengths and progress, and ensure that every child feels safe, builds confidence and has the opportunity to thrive in school.

### **Working in partnership with families**

If your child is on our SEND Record of Need (RON), you will have the opportunity to meet with their class teacher each term to discuss progress, share your views and agree on next steps. These meetings provide valuable time to celebrate successes, discuss any concerns and ensure that support continues to meet your child's needs.

### **Our SEND review dates:**

- **Review 1: Week beginning 2 November 2026 (Parents' Evening)**
- **Review 2: Week beginning 1 February 2027**
- **Review 3: Week beginning 24 May 2027**

Your child's teacher will contact you to arrange your first meeting. Please complete the attached Pupil Voice Form beforehand, if possible, so that your child's views are included in our discussions.

Teachers will also review Student Success Plan (SSP) targets regularly throughout the term, celebrating progress and updating targets when appropriate.

### **Developing our inclusive practice**

We are delighted to be working closely with the **Mental Health Support Team and the Early Intervention and Inclusion Team**. Together, we are developing staff understanding of emotional regulation, including how children experience feelings in their bodies and how we can help them recognise early signs of anxiety or overwhelm. Training will support staff to teach and use practical regulation strategies that help children feel safe, calm and ready to learn.

We will also be working with the **Autism in Schools Team** to develop more neuroaffirming classrooms that recognise and celebrate neurodiversity. This includes developing our understanding of masking, recognising that children may hide their difficulties in school, and ensuring that support is based on their individual needs rather than how well they appear to be coping.

## **SEND Parent Drop-In Sessions**

I will be holding SEND Parent Drop-In sessions throughout the year. These are an opportunity to discuss concerns, explore additional support or simply talk through how things are going.

### **Planned dates:**

- Tuesday 17 November 2026
- Tuesday 19 January 2027
- Tuesday 16 March 2027
- Tuesday 22 June 2027
- Tuesday 20 July 2027 – Transition Meetings

Booking information will be shared closer to each date.

## **SEND Cafés**

Our SEND Cafés will bring families together in a relaxed, welcoming environment to share experiences, meet other parents and carers, and learn more about SEND.

Our first SEND Café will take place on **Monday 23 November 2026 at 2.15pm**, with Matt Wilmott from the Autism in Schools Team joining us to explore how we can work together to support children who may mask their difficulties in school.

### **Keeping in touch**

My working days are Monday to Wednesday. If you have a question, concern or would like to talk something through, please contact me at

**[send@stm.celtrust.org](mailto:send@stm.celtrust.org)**

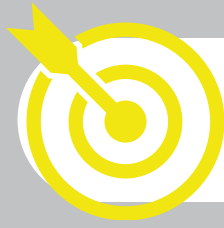

Thank you for your continued partnership. Your knowledge of your child is invaluable, and by working together, we can ensure that every child feels heard, valued and supported to make progress.

We look forward to working with you throughout the year.

# ATTENDANCE MATTERS

**Mrs Olds**  
Attendance Officer

**Whole School Attendance Autumn 1**

**97.2%**

**Thank you for working with us to ensure your child is in school on time, every day, ready to learn. Our teachers and TA's ensure learning is fun and interesting for all children, lessons are built sequentially, so being in school helps pupils to achieve.**

**We of course understand that there will be occasions when your child is not able to attend school. At these times, can we please remind you of the following.**

**Absence:** If your child is too ill to attend school or are going to be absent for another reason, please remember to call the school number 01726-74887, select option 1 for the 24 hour absence line. You need to leave your child's full name, class and reason for absence, if they are ill, please provide the nature of the illness or symptoms. Please refrain from contacting class teachers on dojo or via email as we cannot guarantee these will be looked at before registers are taken.

**Medical Appointments:** Wherever possible, please make medical/dental appointments outside of the school day. If your child does have an appointment, they can come in afterwards or come in before their appointment, if it is later in the day.

**Exceptional Leave Requests:** Please be reminded that we are only able to approve a child's absence in extenuating circumstances. Holidays during term time cannot be authorised. If you require your child to be absent, please ensure you complete an exceptional leave form (available from the school office) giving as much notice as possible. Please refer to the whole school attendance letter that was sent out at the beginning of September for more information.

If you have any concerns about your child's attendance, please do not hesitate to speak with the class teacher, myself or Mr Lloyd.

# WHAT'S BEEN HAPPENING

💛 Hello Yellow Day! 💛

On **Friday 9th October**, we supported Hello Yellow Day by wearing yellow and taking part in a variety of exciting workshops. Each class had the opportunity to explore activities focused on mental health, happiness and feeling safe and confident to be who they are. It was a wonderful day filled with positivity, helping to remind us all of the importance of looking after our mental health, supporting one another and celebrating what makes each of us unique. The fantastic day was topped off with a wet and wonderful whole school rave!

# WHAT'S BEEN HAPPENING

## Foodbank Assembly

This week, Andy from St Austell Foodbank took a Key Stage Two assembly and explained the role of the Foodbank. He started with a thank you for the wonderful donation of food. We collected 72.7kg of food. A super achievement. During the last year, over 3000 food parcels were given out which have supported many people in need in the St Austell area, including 1500 children. I always feel proud we can help support an important charity which provides much needed support to people within our local area. Thank you.

### Miss Palmer

Football teams

## Football & Netball at St Mewan

School football and netball season has begun!

With the recent changes to the St Austell Schools football leagues this year, we've created a poster to show which league each of our teams are in and which other schools they will face.

We've already played some friendly football matches against Charlestown School and two league fixtures against Pondhu as well as between some of our own teams. During each of these fixtures, all of our players and teams have shown great resilience, determination and excellent sportsmanship. We're really excited to have 12 different football teams this year and can't wait for all of our footballers to represent our school!

## Cornwall Cricket Chance to Shine

This half term, Cornwall Cricket have been in school supporting with our Year 1 and Year 6 PE lessons, focusing on developing the children's skills and understanding of Cricket. In addition to this, some of our Year 6s have taken part in the Chance 2 Shine leadership club where they've gained valuable leadership skills that they can now put into practise within their School Playleader role. A big thank you to Mr Cricket, Coach Nick, for delivering such enjoyable and insightful sessions for our pupils.

## St Austell Schools Active Partnership

This half term, we've been taking part in weekly sports events as part of a new initiative within the St Austell area (SASAP). These events aim to offer a wide range of opportunities and experience that focus on sports and physical activity. All of this, is a part of the wider work that is going on within the town of St Austell which is being led by Active Cornwall. So far, the events have focused on handball, basketball and rugby and have been held at Poltair and Penrice school. Our pupils who attended these had a really enjoyable and positive experience. All of our pupils in Year 2-Year 6 will be invited to attend at least one of these events at some point throughout the year. Most of these are inclusive events, which means they are open to all pupils no matter their prior experience within the sport or their ability.

## Splash School

Some of our Year 5/6 pupils were lucky enough to attend the Splash School event which was held at Better Leisure Centre and organised by Surf Life Saving GB. The children were taught valuable life skills based around water safety. They got to take part in a range of water-based activities within the pool as well as other land based games which were both enjoyable and incredibly insightful. We were incredibly lucky to be part of this event and look forward to doing more work with Surf Life Saving GB in the future.

## Adaptive Cycling is back!

We've had a fantastic time over the past few weeks attending the adaptive cycling sessions at Par Track. These are put on by [The Cornwall Bicycle Project CIO](#) as part of the [British Cycling](#) limitless programme. Not only are these sessions great fun but they also help to develop the children's physical, social and emotional skills and ensure that all child can have a go at cycling! The work of the Cornwall Bicycle Project is incredible and we are very grateful for all that they do for our pupils but also for the local community!

# WHAT'S BEEN HAPPENING

## Art club

**We have had a fantastic term in Art Club, full of creativity, colour and imagination! The children have explored a variety of materials and techniques, linking their artwork to their classroom learning and special celebrations. Take a look at what each year group has been creating!**

### **Year 1 – Under the Sea and Autumn Art**

Inspired by their classroom story Tiddler, Year 1 created colourful fish using recycled CDs, foam and sequins. They also celebrated National Dot Day by using Lego to print their own emoji pictures! For Halloween, the children made spooky stained-glass pumpkins and ghosts. They also developed their observational drawing skills by carefully drawing pumpkins using crayons and watercolour paints.

### **Year 2 – Arctic Adventures and Halloween Fun**

Linked to their learning about Arctic animals, Year 2 created beautiful Northern Lights backgrounds using watercolour paints. They then carefully traced their chosen Arctic animal and added it to their background to complete their stunning winter scenes. To celebrate National Dot Day, they designed and decorated spinning tops using card, felt-tip pens and bottle tops. The Halloween fun continued with paper-chain skeletons and spooky ghost cupcakes!

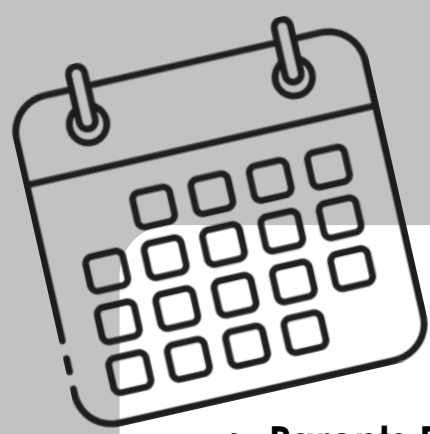

### **Year 3 – Egyptian Art and Creative Designs**

As part of their learning about Ancient Egypt, Year 3 transformed their portraits into Egyptian pharaohs! They designed their own headdresses using felt-tip pens, carefully considering the colours and patterns to create individual designs. They also joined in with our National Dot Day activities by designing their own spinning tops and finished off with some spooky ghost cupcakes for Halloween!

**We are so proud of the children's creativity, enthusiasm and the wonderful artwork they have produced this term! It's been fantastic to see them experiment with different materials, develop new skills and bring their classroom learning to life through art.**

# **DATES TO REMEMBER**

- **Parents Evening Wc 2/11/26**
- **Reception & Yr6 National child measurement programme - 9<sup>th</sup> November**
- **Remembrance Day assembly - 11<sup>th</sup> November**
- **Yr3 Rivers trip - 13<sup>th</sup> November**
- **Flu vaccines - 16<sup>th</sup> November**
- **Anti bullying week - Wc 16<sup>th</sup> November**
- **Nursery christmas crafts session - 1<sup>st</sup> December**
- **Reception santa experience - 2<sup>nd</sup> December**
- **Yr1 hearing tests - 2<sup>nd</sup> December**
- **Rock steady christmas concert - 15<sup>th</sup> December**
- **Christmas church visit - 16<sup>th</sup> December**
- **Christmas lunch - 16<sup>th</sup> December**
- **Last day of term - 18<sup>th</sup> December**

**More dates to follow in Autumn 2**
